AMUSEMENTS

TOM MIX FEATURED AT THE BUTLER TODAY

Tom Mix is coming, not only in what is said to be his biggest production, but in a role which is a distinct departure from pure stunt stuff. He will be seen at the Butbluegrass region back in the days of hoopskirts and romance. Tom Mix is seen as Jere Lynch, whose family is actively engaged in an ancient feud with the Summers family. The heritake of hate does and the work of Tom Mix, it is pre-dicted, will delight his many followers and bring him new admirers. The story is gripping throughout. with more dramatic situations than any other picture Mix has made. Added to the feature will be a two-reel Sunshine comedy. An Ele-phant Nightmare."

CHILDREN'S CAMP

BOULOGNE, France, Sept. he original English hospital Camiers, near Etaples, which ort inally cost several hundred thou sand dollars, has been taken over by the French government and opened as a recreational camp for devastated regions.

There are now installed at Cam ters 6000 little girls rangins from 6 to 15 years of age. After July 15 will come the turn of 6000 boys

HOLDS INTEREST Soldiers Oppose League of Nations

(By Captain Eddie Rickenbacker)

No man feels more deeply than the American soldier what war means to American mothers ea-pecially a foreign war. So one of pecially a foreign war. So one of the first thoughts that come to a and anguish waiting on them at soldier after reading the league to the first is it right to exponent is thus is it right to expose the mothers of America to all pose the mothers of America to all states man has even said. "These the grief of war, just to help a for-eign nation settle a boundary quar-rel or win a political dispute? The one consolation of the American mother when her son said goodbye, was that he wore the uniform of his country and marched away under the flag of the United States. He

to protect his country and his peo-ple. He would risk his life to punyoung men were dying by thousands and no news came to tell who still that is so cruel to her whom he lived and who had gone.

(By Captain Eddie Rickenbacker). Now just imagine a war which An American soldier of the lines has not even this comfort for a An American soldier of the lines does not talk much about his mother. Something holds him back, but he thinks about her.

When ordered to the front he writes last to her. When letters come from home, he looks first for hers. When he returns from war, here is the first face he seeks. It is hattle he faces death, it is her features that flash upon him if he has time to remember his home, it is her form that means nome to him. This, I believe is true of 39 soldiers in 100.

No man feels more deadly than

imposed on American womanhood? Can a soldier think of a more pain-ful sacrifice this side of death? I know that some men, who have not felt death facing them in front and approach worther

men gave their lives to secure the freedom of mankind." But no soldier can accept it. man had been a soldier, he would not have said it. Why? Because he would not have felt it.

his country and marched away under the flag of the United States. He went because the government of his country called him. He would washington high schools appear to want to send their 1926 football United States. He would face death to uphold the honor of the United States. He want to send their 1926 football United States. He would face death to protect his country and his people and consolation. For his ple He would risk his life to punsh the enemies of his country.

This pride in their sons American spirit and man loyalty carried a million American mothers through the anguish of sleepless nights. It was what brought them through the torture of the days when American would take away this last vestige of comfort and leave nothing to the days were dying by thousands we soldier can be for a covenant.
